WELCOME TO QUEEN'S PARK DAY

2023 is the 50th anniversary of QPARA - the Queen's Park Area Residents' Association who host Queen's Park Day.

It's hard to imagine that QPARA was born in 1973 to fight plans that included building more houses in the park and changing the character of the area we know and love. QPARA has been working to promote a better quality of life in the Queen's Park area ever since.

But our annual highlight is undoubtedly Queen's Park Day. Started 40 years ago and run entirely by QPARA's team of local volunteers, we are thrilled that this community event for all the family attracts over 15,000 visitors - that's three times as many as live here! It's a real London institution.

50th QPARA Anniversary 1973-2023

To celebrate our birthday, there's a special exhibition in the QPARA tent. Do come and have a look and pick up a copy of our QPARA Story. There's even a celebratory mug on sale!

Lastly, I'd like to mention that today wouldn't be possible without our small army of helpers. We always welcome newcomers - young and old, so do get in touch if you'd like to help in 2024.
